

**REMARKS**

The decision reversed the rejection of claims 84-91 under 35 U.S.C. § 112 as indefinite; it reversed the rejection of claims 75-82 and 84-91 as unpatentable over Smotkin in view of Norby, Crome, Ryu or Lybye as well as the rejection of claims 75-82 and 84-91 as unpatentable over WO '777 in view of Norby, Crome, Ryu or Lybye.

The Board maintained only the rejection of claims 75, 76, 80, 81, 84, 85, 89 and 90 as anticipated by Baucke. (Claims 1-74, 83 and 92 were canceled). Thus, the rejection of claims 77, 78, 79, 82, 86, 87, 88 and 91 was reversed, and the Examiner has set a one month time limit in which the appellant may rewrite these dependent claims in independent form. This amendment rewrites the dependent claims in independent form.

The claims are presented in marked-up format in accordance with typical amendment procedure and also in renumbered and clean form.

Applicant has complied with the requirement.

Should there be minor issues remaining that could be resolved by phone, a telephone call to the undersigned is respectfully requested.

Passage of these claims to issue is therefore respectfully requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any
